

Dear MUMN Member,

On the 20th Anniversary, MUMN reached an agreement with GO, whereby there are two Tariff plans. These Tariff plans are open to all **MUMN members** and **their spouses/partners and children over 18 years of age**. **For children under 18, the contract needs to be signed in their parents' name**. The tariff information is as follows:

If you are interested to benefit from these Tariff plans:-

- Kindly send an email to info@gobusiness.com.mt;
- In your email give your personal data, including your mobile number and if you are already a GO customer;
- If you have a service from another provider **DO NOT TERMINATE** your service otherwise you will lose the number;
- If you have another contract with GO, the tariffs may be migrated, however if you are tied to an agreement and the penalty is hefty, all options can be discussed.

Best regards,
